Dear FMNP/SFMNP State Agency Director:

As you know, the National Association of Farmer's Market Nutrition Programs will hold its annual conference September 4 - 7, 2019, at the [Renaissance Des Moines Savery Hotel](#) in Des Moines, Iowa. The 2019 conference theme is *Fields of Market Dreams*. Agenda topics for this year's conference include: education resources, market development, best practices, program coordination strategies, partnerships, and more.

This meeting is an excellent opportunity for you and your staff to network, share, and learn about current requirements as well as successful practices in improving access and services to FMNP/SFMNP participants. I hope that you will give serious consideration to attending this conference. WIC, FMNP or SFMNP program funds may be used to fund your travel expenses and registration fees.

A detailed tentative agenda, along with additional information regarding registration and accommodations, is available at <http://www.nafmnp.org/annual-conference>.

If you have any questions, please contact your FNS Regional Office.

Sincerely,

SARAH WIDOR  
Director  
Supplemental Food Programs Division
